

Langruth Elementary School

Principal's Message

Hello Students, Parents and Friends of LES, I would like to take this opportunity to thank everyone for understanding the frustrating and difficult times we have had over the last two years, with all the confusion and inconveniences of Covid 19.

I feel this spring we are definitely going to have a fresh start with people being able to come back into the school to visit with teachers, watch sports and just be a part of our school community again. We have some exciting things planned for the remainder of the school year. We have Artists in the school booked, Badminton, Soccer, Track & Field, Tabloid/Sports days and end of the year and grade 8 graduation celebrations in the planning stages. Our school will also be starting a new program called Engagement 3 times a cycle, starting after spring break.

This is a time for students to explore a variety of interests and curiosities, and a time for them to learn in real life scenarios. We are trying to offer a variety of activities from:

Physical activities	Regular sports, fitness activities as well as new playground games and activities
Stem and Steam projects	student directed activities where students try to solve problems and answer questions they have.
Cooking/Baking	Budgeting, buying ingredients, measuring, following directions
Coding	Self directed learning on the chromebooks learning the Scratch program, learning to build digital stories, comics, games
Music	Boom whackers, bucket drumming, recorder, instrument building,
Take apart stations	to deconstruct everyday objects to see how they work and what they are made of.
Lego Challenges	to increase students' creativity, through hands-on designing and problem solving.
Citizenship/Community projects & activities	These will promote citizenship and community spirit.
Crafts (scrapbooking, knitting, painting, etc.)	Students build and create to show their creativity
Gardening	Planting and caring for flowers and vegetables

We have a Local Beading Artist booked to come for a 3 day Artist in the school experiences for our students. We also have Music Artists in the school booked for a 3 day workshop for our students. If you or anyone you know in the community has an interest or skill they would like to share with our students please don't hesitate to call the school we would like a lot of community knowledge and help with this as we can get.

As never before it is so important that your child attend school everyday to get the most out of their education experience. We understand that sometimes they have to be away but the more time your child is in school the more they have the chance to learn and practice what they are learning.

I hope everyone has an enjoyable spring break and that we are able to enjoy some fresh air and time with the ones we care about.

Sincerely,

Mrs. Madsen

Dear Parents/Guardians:

Parent Teacher Interviews are scheduled for the evening of Thursday, April 7th and the morning of Friday, April 8th. We are able to do in person Parent - Teacher Interviews for this term. Please fill out the following form included with the newsletter indicating which of your child's teachers you would like to see & what your preferred date/time slot is. If you have any questions please feel free to call or email the school. If you are unable to make it during the dates and times provided and would like to meet with your child's teacher let us know and we will do our best to make arrangements. We encourage all parents to book times to meet with teachers.

Student Name: _____ Parent Name: _____

Please check off the day, time & teacher you would like to see. We will do our best to accommodate you. Appointments will be booked on first a come first serve basis.

- Mrs. Madsen (K-1)
- Mrs. Casigay (2-3)
- Mrs. Battad (4-5)
- Mrs. Blondeau (6-8/Resource)
- Mr. Miller (6-8 & PE all Grades)

Please return this form to the school as soon as possible to ensure you get time to meet with your child's teacher.
