## June 2020

### Principal's Message

Dear Langruth Elementary School,

This year did not end anything like we thought it would! It has been different and challenging. But it has also taught us so many things, like not to take the little things in life for granted (hugging the people that we love), how lucky we are to get to go to school/work, and how invaluable the power of human connection is. We have missed our kids so much over these past few months!

To the staff, thank you for constantly ensuring the best for our kids. You have worked so hard without complaining, in order to keep putting our students first!

To the parents, thank you for your support. As always, you play an integral role in your child's education. This year especially, we would not have been able to do it without you! Thank you for the countless hours (on top of jobs and taking care of other children!) that you poured into helping your children navigate distance learning.

To the students, you are the reason that we are all here! You are the ones who make Langruth Elementary School such an amazing place to be! Thank you for your hard work and enthusiasm. Know that no matter where you end up in life, you come from a school community that cares deeply about each and every one of you!

As many of you know, my family will be growing this summer! I have made the difficult decision to step down from my role as principal in order to focus on my family and classroom teaching. I am so thankful to have been a part of this amazing school and community. You have welcomed me with open arms and patience as I learned how to navigate this role and I am eternally grateful. I am so proud and honored to have been your principal!

Wishing you laughter, happiness, and learning this summer and always,  
Mrs. Emerson

101 Helgason Ave. E.

Box 148

Langruth

Principal: Mrs. Natasha Emerson

## A Message from Miss. Ferguson

I just wanted to say a huge thank you to the LES School! Thank you so much for a great first year teaching. I had so much fun getting to know all of you. I will definitely miss being in the classroom with everyone, but I am sure I will see you all around at different school events in the future. I would also like to give out a huge thank you to the staff for being so great! I will miss LES so very much. It will always hold a special place in my heart.

See you around,

Miss. Ferguson

## A Message from Mrs. Asselstine

"Wow, what a crazy end to the school year we have had! It was heartbreaking to not spend the last few months of school together with you all, but I am so grateful for technology as I was able to keep in touch with many of you! Your phone calls, emails, texts, pictures, videos, Google Meets, and Seesaw posts meant so much to me! Please don't hesitate to contact me over the summer; I would love to hear what you get up to! Relax, re-charge, and have tons of fun this summer break!"

## A Message from Miss Sollner

I hope everyone at Langruth Elementary School has a great summer! I would like to congratulate all my Grade 8 students! I am very proud of your achievements and various accomplishments this year! As much as you drove me crazy some days you made coming to school very enjoyable! I will miss all of you and good luck in high school.

-Miss. Sollner

## A Message from Bobbie

What a way to end the year!

I hope you all know how I have missed each and everyone of you.

To the Grade 8's it won't be the same without you, good luck at WMCI.

Have a great summer.

Love Bobbie

## A Message from Mrs. Blondeau

I can not believe that this school year is over! It seems like only yesterday when Langruth Elementary became my new home! How can I ever thank you all for making me feel so welcome! I have loved getting to know the students, staff and families! I've had so much fun while learning alongside of you! From soccer and tri-pleball tournaments, math and science classes, Halloween eyeballs and pigs (ewww!), Christmas sled parties and weiner roasts, the Solar System Spectacular and Winter Carnival....I've absolutely loved being part of it all! I only wish we could have been together over the last few months and am already looking forward to being together next year! Congratulations to Matthew, Sydnie, Patience, Scott, Kendra, and Drake. I was only your teacher for a short time which saddens me. I was just getting to know you and now you are moving on to Grade Nine! I am so very proud of you and wish you nothing but happiness and success at WMCI. Have a wonderful summer LES!!

## A Message from Mrs. Wilson

To the Students of L.E.S.,

This was not the way I thought the year would end! I have enjoyed being with each and everyone of you throughout the school year! I hope that as the summer break approaches everyone has taken some time to enjoy themselves! For the grade 8's, I will miss seeing you next year, but, I know you will enjoy high school! I am looking forward to seeing everyone else in September! Remember - Stay Safe & Healthy - Enjoy your Summer Everyone!

Mrs. S. Wilson

## A Message from Mrs. Kennedy

To the Students of L.E.S.,

This has been a year like no other for all of us! I hope that you can all find something positive to take from our time apart and focus on the good experiences that you've had over these last few months, the extra time you've been able to spend with your family, not the things we've missed out on here at school. I want you to know how very much I've missed each and every one of you and I cannot wait to see your smiling faces when we can be together at school again. Grade 8's, I wish you all the best as you move on to WMCI and will miss you all very much! Stay healthy, stay happy and enjoy your summer break!

Mrs. Kennedy

## A Message from Mrs. Teichroeb

Hello LES Students,

Well what a year it has been! It is hard to imagine that we have spent so much of our school year at home. This will be a year we won't forget anytime soon. Although you have missed so much time with your friends and teachers, I hope that you have enjoyed your extra time with your family.

I have certainly missed seeing you all at school everyday, helping in your classroom and spending recesses outside with you. I am looking forward to hearing about all your 'quarantine' stories when we are all together again. Congratulations to the Grade 8 class moving onto Grade 9. Best wishes as you start high school.

Take care and enjoy your summer,  
Mrs. Teichroeb

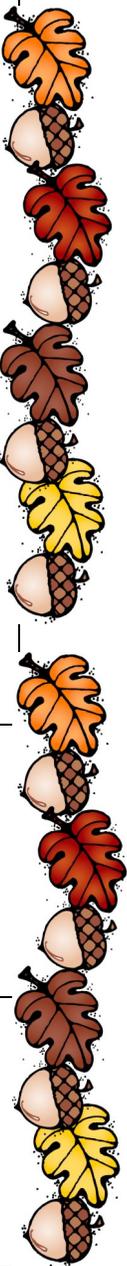

## Thank You

We would like to thank the Langruth Elementary School PAC for their donation of \$1200. The PAC normally make a donation to the school for year end field trips. They decided to make the donation again this year and gift bags were made for each student.
