Principal's Message

May has been a great month at our school! The warmer weather has been a welcome change, and it's been wonderful to see the kids playing and enjoying themselves on the playground.

As the temperatures continue to rise, please remember to send sunscreen to protect your child against harmful sun rays. We want to ensure all students stay safe while having fun in the sun.

I would like to express our gratitude to Sandy Bay CFS for inviting us to attend the MMIWM Walk on May 6. Seeing our students engage and learn was an educational experience for everyone as they reflected on the speakers. Our Kindergarten to grade four students had the opportunity to watch the Manitoba Theatre for Young People at Gladstone Elementary School. We extend our thanks to GES for inviting us to this event, which brought smiles to our students' faces.

Looking ahead to June, we have a busy and exciting schedule with school field trips, track and field events, and National Indigenous Month. With the school year coming to a close, it's crucial for our students to stay engaged and make the most of the remaining instructional days. We believe these events will provide valuable learning experiences for our students.

We are also excited to celebrate the achievements of this year at our Graduation and Awards Day Ceremony on **June 25 at 11 AM**. It will be a special day to recognize our students' hard work and accomplishments. The last day of classes for all LES students is June 27.

I hope everyone has a fantastic summer, and we look forward to seeing you all again in the fall.

Take care,
Mr. Banyard
