

Langruth Elementary School

Principal's Message

January has been an excellent month for our school! Our students had fantastic experiences that we are thrilled to share with you.

Firstly, our students travelled to Plumas to participate in a curling clinic. We were excited to see how quickly our students grasped new skills and how respectful they were towards the volunteers. It was an excellent opportunity for our students to learn something new and to showcase their sportsmanship. We are proud of them!

Secondly, our 5-8 students visited the Residential School Museum in Portage La Prairie. It was an emotional visit for many people but also a safe place to learn and ask questions. We want to thank the museum for sharing their stories and allowing our students to learn about an important part of our history.

We are thrilled to share that our school had students participate in the Dakota Winterfest held in Brandon. As a school, we are immensely proud of their accomplishments. I want to acknowledge Jase, Zaidee, Jaycene, and Kelson, who played hockey. We also want to extend a special shoutout to Bryce and Andy's Square Dance (Sandy Bay Lakeside Steppers) for receiving second place. Well done!

In addition to the exciting activities mentioned earlier, Langruth Elementary School has decided to change its approach to celebrating Mother's Day and Father's Day. With the changing dynamics of families, these days can be traumatic for many students at school. Therefore, our staff has decided to participate in "Appreciation Day" on February 28th, the same day as Pink Shirt Day. We hope this change will help make all students feel valued and included in our school community. Thank you for your understanding and support.

As we move into February, it is exciting that skating and curling will be continued. Also, I wish our basketball team luck in their future intramural games in February.

We can't wait to see what February has in store for us!

Mr. Banyard

Upcoming WINTER Field Trip

Student will be travelling to Winnipeg in March to attend the Manitoba Moose Project 11 School Day Game. The game is designed to provide an educational experience in a non-traditional environment, while also allowing student to have fun with their classmates and express their inner fan as they cheer on the Manitoba Moose. During the game students will receive special messages from Moose and Jets players that focus on mental health, as well as hear some of their personal stories about the importance of healthy living. During the intermissions students will be entertained by videos and activities.

Please watch for more information to come out regarding our Winter Field Trip.
