Principal's Message

We are so excited to welcome students, families, and staff back for another wonderful year of learning and growth! A special welcome goes out to our new families and staff members joining our school community—we're so glad you're here and look forward to getting to know you.

As we begin the year, please remember our new daily schedule. Information about this was sent home to parents/guardians last week. The letter that was sent can also be found on the next page. It's important that students arrive on time each morning so they can settle in and start the day ready to learn.

Thank you for your support in helping us create a positive and successful school year for everyone. We hope to see parents and guardians at our welcome back BBQ on September 10 from 3:30-5:00 PM.

We're looking forward to all the learning, connections, and experiences ahead!

Best regards,

Bill Banyard

Dear Parents and Guardians,

We are pleased to share an important update for the upcoming school year. To better support student learning and provide valuable instructional time, we will be adjusting our daily schedule:

- **Classes will begin at 8:30 a.m., immediately following bus arrivals.**
- **Nutrition Break: 10:10 AM followed by recess.**
- **Lunch Break: 12:35 PM followed by recess.**
- **End of Day Routine will begin @ 3:15 with Dismissal at 3:30 (Bus students will be dismissed first, followed by town students and those who get picked up. We ask all parents who are picking up their children to please wait in your vehicle until busses have left the school & your child is dismissed.**

This change allows us to increase meaningful classroom learning time and provide students with more opportunities for academic growth and enrichment throughout the day.

Attendance Reminder

Parents are asked to notify the school office by phone or email if their child will be late. If notice is not received and a student is marked absent by the teacher, our automated attendance calls will be made.

Thank you for your ongoing support as we work together to create the best possible learning environment for all students. More information about this will go home as we transition back to school.

Administrative Assistant: Mrs. Candace Kennedy
